

Announcement of the Faculty of Science, Chiang Mai University Applications Open for the “2025 CMU Science Camp”

The Faculty of Science (FoS), in cooperation with the Academic Club, Chiang Mai University is pleased to announce its famous annual Science Camp Activity. This year, our 2025 CMU Science Camp will be boosted up to another level where selected applicants will be partially sponsored by the FoS and its partners. Science Camp attendees will experience advanced scientific research and study more closely with award-winning scientists and professors. Participants will also have an opportunity to discover various science disciplines, including careers in science, mathematics and technology, offered by eight departments of the FoS. This year, our 2025 CMU Science Camp’s theme is “May the energy be with you” where we attempt to keep its detail secret until you visit us

To achieve the objectives of this initiative, the FoS is pleased to announce the opening of applications for students to participate in the 2025 CMU Science Camp. The details are as follows:

1. Qualifications

- 1) Current students (currently in Grade 10 or 11) who are interested in Science and Mathematics may be eligible for application.
- 2) Cumulative Grade-Point Average (GPA) of 2.50 or higher.
- 3) Students should not have any criminal record, nor have been suspended from school activities, and should possess an interest in science.
- 4) Selected applicants must be able to attend all activities during Science Camp.

2. Examples of activities during CMU Science Camp

- In-depth introduction to the FoS and its various scientific disciplines as well as career path delineation after graduation.
- Share experiences and inspire students in learning science.
- Activities to enhance research skills, analysis, and experimental design under the close guidance of faculty members from the Faculty of Science.
- Visit 8 departments of the Faculty of Science, including the Departments of Mathematics, Chemistry, Industrial Chemistry, Biology, Geology, Physics and Materials Science, Computer Science, and Statistics.
- Study the key research in each discipline and participate in hands-on activities to practice research, experiments, and academic tasks.

3. Benefits of attendees

Upon completion of the 2025 CMU Science Camp, students will receive **Certificate of Participation** to accompany their portfolio used for the application for admission to the FoS, Chiang Mai University under the Thai University Center Admission System (or TCAS1: Application based on portfolio).
